## PRESIDENT'S MESSAGE

**Tallam R. Dwarakanath**  
President

Dear Centurions,

I am thankful to each and every member of this prestigious Club for having elected me as President unopposed. Being elected unanimously for the year 2023-24 is a boundless responsibility. I will try my best to fulfil your expectations.

The New Committee consisting of experienced and energetic members, striving hard to reach your expectations while maintaining decorum and great values set down by our founder Sir M. V. and our Patron, HH Nalwadi Krishnaraja Wadiyar. I would like to place on record, the excellent work done by the previous Executive Committee.

The relaying of Badminton Wooden Courts with African Teakwood was done. We intend to increase the footfalls by upgrading facilities and carrying out developmental activities of various sections of the Club which requires immediate attention.

I request the fellow members support to overcome financial constraints to carry out the works to create additional facilities and upgrade the services in order to cater to the members of the Club.

Allotment of Portfolios with responsibilities to each of the newly elected Office Bearers & Executive Committee Members are being done and respective Chairpersons have formed the Sub-Committees. I request the honourable members' suggestions, opinions and grievances, if any, report directly to the Chairperson of the respective section and also to the Hon. Secretary, Mr. S. Balasubramaniam, so as to enable the Executive Committee to address and ensure smooth functioning of the Club.

We have continued to follow the OATH TAKING CEREMONY which was introduced last year to ensure appropriateness and transparency in administration.

I wish you and your family a safe, healthy, peaceful and prosperous 2023. Please feel free to communicate your views. Thank you.

With best regards,

*T.R. Dwarakanath*
